Dear Parents/Carers,

We are always looking for ways in which we can improve our attendance and ensure children get the full 'Wyndham Experience'!

We will be sending out letters to families where the children's absence is not hitting our expectation. This will be to make you aware of the current situation and to help you be mindful regarding absence in future. We will also start signing late children in electronically in the entrance area rather than letting them through the door and writing their names in a book.

We want to work with our families and ensure that we help and support where necessary. These new measures are part of our safeguarding procedures.

Kirsty Ryan
Principal
