

CATERING UPDATE

Newsletter

Welcome back.

After monitoring the uptake of meals since introducing starters to the menu, we have found the weeks they are on numbers drop, with that in mind we have made the decision to go back to a more traditional menu. This will start 5th November.

We now have an on line survey available for you to leave feedback on the catering service, this enables us to keep continuous improvement within the service. <http://satrust.com/catering-feedback/>

OUR next Theme day is November 5th Bonfire night.

MENU
